Test sequence

loss of friction measuring: **NO**

start: **manual**

load: **speed**

acceleration with load: **NO**

start value: **2000** rpm

intermediate value: **NO** **0** rpm

intermediate value 2: **NO** **0** rpm

stop value: **0** rpm

R-measuring: **manual**

rotation: **CCW**

start up time: **2.0** sec

warm up time: **0** sec

intermediate time: **1** sec

intermediate time 2: **1** sec

duration: **15** sec
